Coca-Cola

Sales Performance Dashboard

Objective

This dashboard provides an overview of Coca-Cola sales performance across U.S. states. It highlights revenue trends, profitability insights, geographic performance, and operational metrics to support data-driven decision making.

Key Metrics Explained

- **Total Sales** – Total revenue generated from beverage sales.
- **Units Sold** – Total number of beverage units sold.
- **Average Price** – Average selling price per unit.
- **Operating Profit** – Profit generated after deducting operating costs.
- **Operating Margin** – Percentage of profit retained from total sales.
- **Avg Delivery Days** – Average time taken to deliver products.
